Windsor

Fully Assembled Patio Door

Features and Specifications

Patio Doors' value-priced series starts with the most advanced vinyl. A high-grade resin unmatched for strength and freedom from wear – it will not rot, rust, pit or blister over long periods of time. **Door ships assembled.**

Elegant Hardware

Available in standard White and Black. Optional upgrade to Brass, Nickel, Satin Chrome or Bright Chrome.

Optional Locks

Two Position Kick Locks mount on the bottom of the operating door. Used as secondary lock when the door is closed. Available in white, beige or brown.

Multi-point Locks provide **two** heavy duty locking points on the door frame. Available on all hardware handles.

Glazing

High-performance glazing with **Low-E** glass and **Edgetech Super Spacer®** technology.

Super Spacer®

Frame

- weather seals
- 4^{7/8}" welded vinyl frame
- Components easily installed and replaceable
- Stainless steel roller track

Welded Sash

- Reinforced with steel to withstand higher wind loads
- Double perimeter seal for superior air-tightness
- Doors are easily and completely reversible
- Adjustable nylon tandem ball-bearing rollers
- 1" sealed units for optimal thermal performance

Optional Decorative Grills

Internal grills are available in a wide range of design styles with colours that include **Flat Grills** in White; **Georgian Grills** in White, Brass or Pewter and **Pencil Grills** in White, Brass and Pewter.
